

October, 2009

You are cordially invited to attend...

Somerset County Cooperative Extension Annual Meeting
Tuesday, November 10, 2009
Sipesville Firehall
6:00 p.m. – Social Time 6:30 p.m. – Roast Beef Dinner

Plan to join us and see what Penn State Cooperative Extension has accomplished during the past year in Somerset County.

Would you like to try your hand at an agriculture science experiment?

With the help of Tanya Wible, Program Director for the Mobile Ag Ed Science Lab, guests will **“Get Growing with the Ag Lab.”** The lab’s services are designed for grades K-7 to help school students learn about agriculture. Each hands-on experiment emphasizes a different aspect of agriculture, including PA’s primary commodities, environment, and biotechnology as well as food and fiber. She will also share how school districts are using the Mobile Ag Lab throughout the state.

This will be a great opportunity for teachers and representatives from school districts to learn about the Mobile Ag Ed Lab, Cooperative Extension’s school programming, and how students can learn more about agriculture.

The evening will also include a **social time at 6:00 p.m., door prizes, roast beef dinner with Penn State Creamery ice cream buffet, and a short business meeting with the election of Extension Board members.**

Tickets and reservations are available through:

- Extension Board members (listed on the reverse side)
- Extension Office, 6024 Glades Pike, Somerset (445-8911, Ext. 7)
- Or by returning the reservation form below with your payment.

Cost is \$12.00 per person. Tickets for children ages 5-12 are \$6.00; children under 5 are free. **Reservations must be made by Monday, November 2.**

We hope you can join us for the 2009 Annual Extension Meeting on November 10.

Sincerely,

In cooperation with,
Larry Hay, Board President

Dorothy Bromley
County Extension Director
